

ENGINEERING FOOD PROCESSING EXCELLENCE

Complete Turnkey Food Processing Solutions

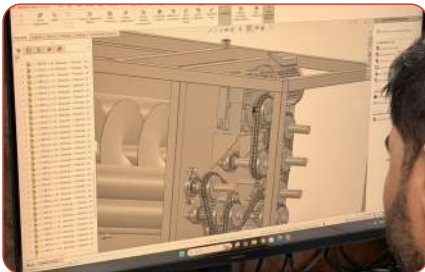

From concept to commissioning, Santosh Engineering & Fabricators designs and manufactures complete food processing plants that combine precision engineering, hygienic manufacturing and intelligent automation.

ABOUT SANTOSH ENGINEERING & FABRICATORS

Engineering Excellence Built on Experience

Santosh Engineering & Fabricators is a trusted manufacturer of food processing machinery and turnkey production plants. We design and manufacture reliable, hygienic and efficient systems that help food and beverage manufacturers achieve consistent product quality, higher productivity and smoother operations.

From raw material handling and processing to cooking, blending and automation, we provide end-to-end solutions tailored to each customer's product, process and production requirements. Our equipment is engineered to maintain the desired taste, texture and appearance while improving yield, reducing wastage and simplifying maintenance.

Experienced Team

Why Santosh Engineering & Fabricators

- ✓ Customized Turnkey Plants
- ✓ Hygienic Stainless-Steel Design
- ✓ Process Engineering
- ✓ In-house Manufacturing
- ✓ Installation & Commissioning
- ✓ Automation Integration

TURNKEY PROJECT FOR FOOD PROCESSING

- ✓ Fruits & Vegetables Puree / Pulp / Juice / Beverage Plant
- ✓ Tomato Ketchup, Vegetable and Chinese Sauces Plant
- ✓ Schezwan Chutney Plant / Mayonnaise Plant
- ✓ Fruits and Vegetables Canning / Chutney Plant
- ✓ Amla Candy, Murabba & Tutty Fruity Plant
- ✓ Ready To Eat / Ginger Garlic Paste / Culinary Paste Plant
- ✓ Confectionary Items
- ✓ Automatic CIP System

OUR CLIENTELE

Trusted by India's Leading Food Manufacturers

TRUSTED ACROSS INDIA

Pan India Presence. Strong. Reliable. Proven.

Over the years, Santosh Engineering & Fabricators has successfully executed food processing projects across India's leading food manufacturing regions.

North Zone

COMPLETE TURNKEY PROCESSING PLANTS

Integrated Solutions. End-to-End Excellence.

Santosh Engineering & Fabricators delivers complete processing plants engineered for hygienic production, maximum product recovery and consistent product quality.

Fruit Processing Plants

Complete systems for tropical fruits and vegetables.

Tomato Processing Plants

Puree, paste, ketchup and sauce manufacturing.

Sauce & Culinary Processing

Automated systems for sauces, chutneys, mayonnaise and dressings.

Ready-to-Eat Processing

Integrated cooking, steam kettle and mixing system.

FRUIT PROCESSING SOLUTIONS

Complete Processing Plants for Tropical Fruits & Vegetables

Processing Systems

- ✓ Fruit Washer with Washing Systems
- ✓ Inspection Conveyor
- ✓ Fruit Mill
- ✓ Double Stage Pulper
- ✓ Holding Vessels
- ✓ Pasteurizer
- ✓ Storage Tanks

Applications

- ✓ Mango Pulp
- ✓ Guava / Papaya / Banana Puree
- ✓ Pineapple / Amla Juice
- ✓ Fruit Crush
- ✓ RTS Beverages
- ✓ Jam & Jelly
- ✓ Murabba Tutti Frutti

SAUCES & CULINARY PROCESSING

Automated Processing Systems for Sauces, Condiments & Culinary Products

Processing Systems

- ✓ Vacuum Cooking Kettle
- ✓ Vacuum Pan
- ✓ Blending Tank
- ✓ Homogenizer
- ✓ Tube & Tube Pasteurizer
- ✓ Buffer Tank
- ✓ Vacuum Systems

Applications

- ✓ Tomato Ketchup
- ✓ Pasta Sauce
- ✓ Chinese Sauce
- ✓ Scheszwan Sauce
- ✓ Ketchup & Culinary Sauce
- ✓ Ginger Garlic Paste & All type of Sauces
- ✓ Mayonnaise

READY TO EAT & CONFECTIONERY FOOD PROCESSING

Complete Automation Solutions for Ready-to-Eat Meals & Confectionary

Processing Systems

- ✓ Cooking Systems
- ✓ Mixing Systems
- ✓ Retort Processing
- ✓ Pasteurization
- ✓ CIP Systems
- ✓ Automation
- ✓ Ball Mill
- ✓ Sugar Extruder
- ✓ Ribbon Blender

Applications

- ✓ Ready Meals
- ✓ Curries
- ✓ Pickles
- ✓ Fruit Candy / Amla Candy
- ✓ Ginger Garlic / Green Chilli Paste
- ✓ Fruit Crushes / Fruit Filling
- ✓ Glazing Gel
- ✓ Cake Premix / Sprades
- ✓ Nut Paste

FEATURED PROJECTS & INSTALLATION GALLERY

Delivering Successful Food Processing Plants Across India

Featured Projects

Tomato Processing & Sauce Plant

Location: Nashik, India

Capacity: 1 TPH to 10 TPH

Applications: All types of sauces & chutneys

Schezwan Chutney Plant

Location: Haryana, India

Capacity: 2 TPH

Applications: Chutneys

Ginger Garlic Paste Plant

Location: Umbergaon, India

Capacity: 2 TPH

Applications: GGP

Ready to Eat Plant

Location: Nagpur, India

Capacity: 500 kg/hr

Applications: Curries, Dal, ready-to-eat meals

Customer Testimonials

Kapil Anand

"Reliable and skilled team. The machinery supplied for our food processing setup is efficient and well-finished."

Umesh Jagwani

High-quality fabrication & durable food processing machines. They understood our requirements well and delivered exactly what we needed.

Sanjay Karnani

Very professional team with strong expertise in fabrication and machinery. The equipment for our food plant works perfectly.
